### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE OWNERS CORPORATION PS 743082B (12 Marine Parade St Kilda Vic 3182)

Malvern VIC 3144 ABN 45 135 259 880

P 03 8686 9000

#### Opinion

I have audited the attached financial information ('financial information') of Owners Corporation PS 743082B, which comprises the Balance Sheet as at 30 June 2024, the Income Statement for the year then ended and Note 1 to the financial information.

In my opinion, the attached financial information presents in all material respects, the financial position of Owners Corporation PS 743082B as at 30 June 2024 and of its financial performance for the year then ended in accordance with the *Owners Corporations Act 2006,* and the measurement and recognition requirements of the Australian Accounting Standards.

#### **Basis for Opinion**

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Information* section of my report. I am independent of the Owners Corporation in accordance with the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial information in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### **Emphasis of Matter - Basis of Accounting**

I draw attention to Note 1 to the financial information, which describes the basis of accounting. The financial information has been prepared for the purpose of fulfilling the Committee's financial reporting responsibilities under the *Owners Corporations Act 2006*. As a result, the financial information may not be suitable for another purpose. My opinion is not modified in respect of this matter.

#### Responsibility of the Committee of the Owners Corporation for the Financial Information

The Committee of the Owners Corporation ('the Committee') is responsible for the preparation of the financial information that is prepared in accordance with the *Owners Corporations Act 2006* and have determined that the basis of preparation described in Note 1 to the financial information is appropriate to meet the requirements of the *Owners Corporations Act 2006* and is appropriate to meet the needs of the members of the Owners Corporation. The Committee's responsibility also includes such internal control as the Committee determine is necessary to prepare the financial information and is free from material misstatement, whether due to fraud or error.

In preparing the financial information, the Committee are responsible for assessing the Owners Corporation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Owners Corporation or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Owners Corporation financial reporting process.

#### Other Information

Other information comprises the budget numbers included in the Committee's financial information for the year ended 30 June 2024. The Committee is responsible for the other information. My opinion on the financial information does not cover the other information. Accordingly, I do not express any form of assurance conclusion on the other information.

#### Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information .

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis of our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Owners Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Owners Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Owners Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.
